# Managing SMGA Events On-Site With Golf Genius-TM Using Blinds

#### But what if you need a Blind?

### You have a player cancels after the pairings have been created or you have a no-show on the day of the event.

OR

You didn't have a complete foursome.

# At the Tournament Manager's Home Page, click on our old friend ROUNDS.

https://www.golfgenius.com/customers/10247

#### Putting in a BLIND means you need to Edit Existing Pairings. So, click on that link.

Now you'll see all the pairings.

For now, let's assume we're replacing a guy who has cancelled. To make selecting a blind, additional information is helpful. CLICK HERE.
